YOUR LUXURY SAFARI STARTS HERE

Welcome to Africa...

## A TRUELY BESPOKE SAFARI EXPERIENCE

Exploration, discovery, relaxation, adventure, excitement, even magic, can be yours. It's your holiday and your dream - we're here to make it come true and share with you our love and knowledge of this beautiful country and its outstanding wildlife.

Niva Safaris is family run and offers you a completely bespoke safari, so tell us what you'd like to experience and we'll do the rest. With over 20 years in-depth local knowledge and excellent partners, we can arrange anything from luxury boutique properties, tented camps, Eco lodges & gourmet cuisine to an African village experience.

If there's a certain animal you'd really like to see or spend time studying, let us know and we'll take you to where they can be found. If there's a certain area you'd like to explore, we'll take you there.

“KNOWING WHERE TO LOOK...”

John is a member of the Kenya Professional Safari Guide Association, set up to ensure an excellent standard of guiding, and an active member of the East African Wildlife Society, at the forefront of efforts to protect endangered, rare or threatened species and habitats and helping community based organisations in the field of conservation in East Africa.

With over 20 years of safari experience and in-depth knowledge of African culture, wildlife, conservation and plant life, John's passion and love for bespoke eco friendly safaris is infectious.

Your guide...

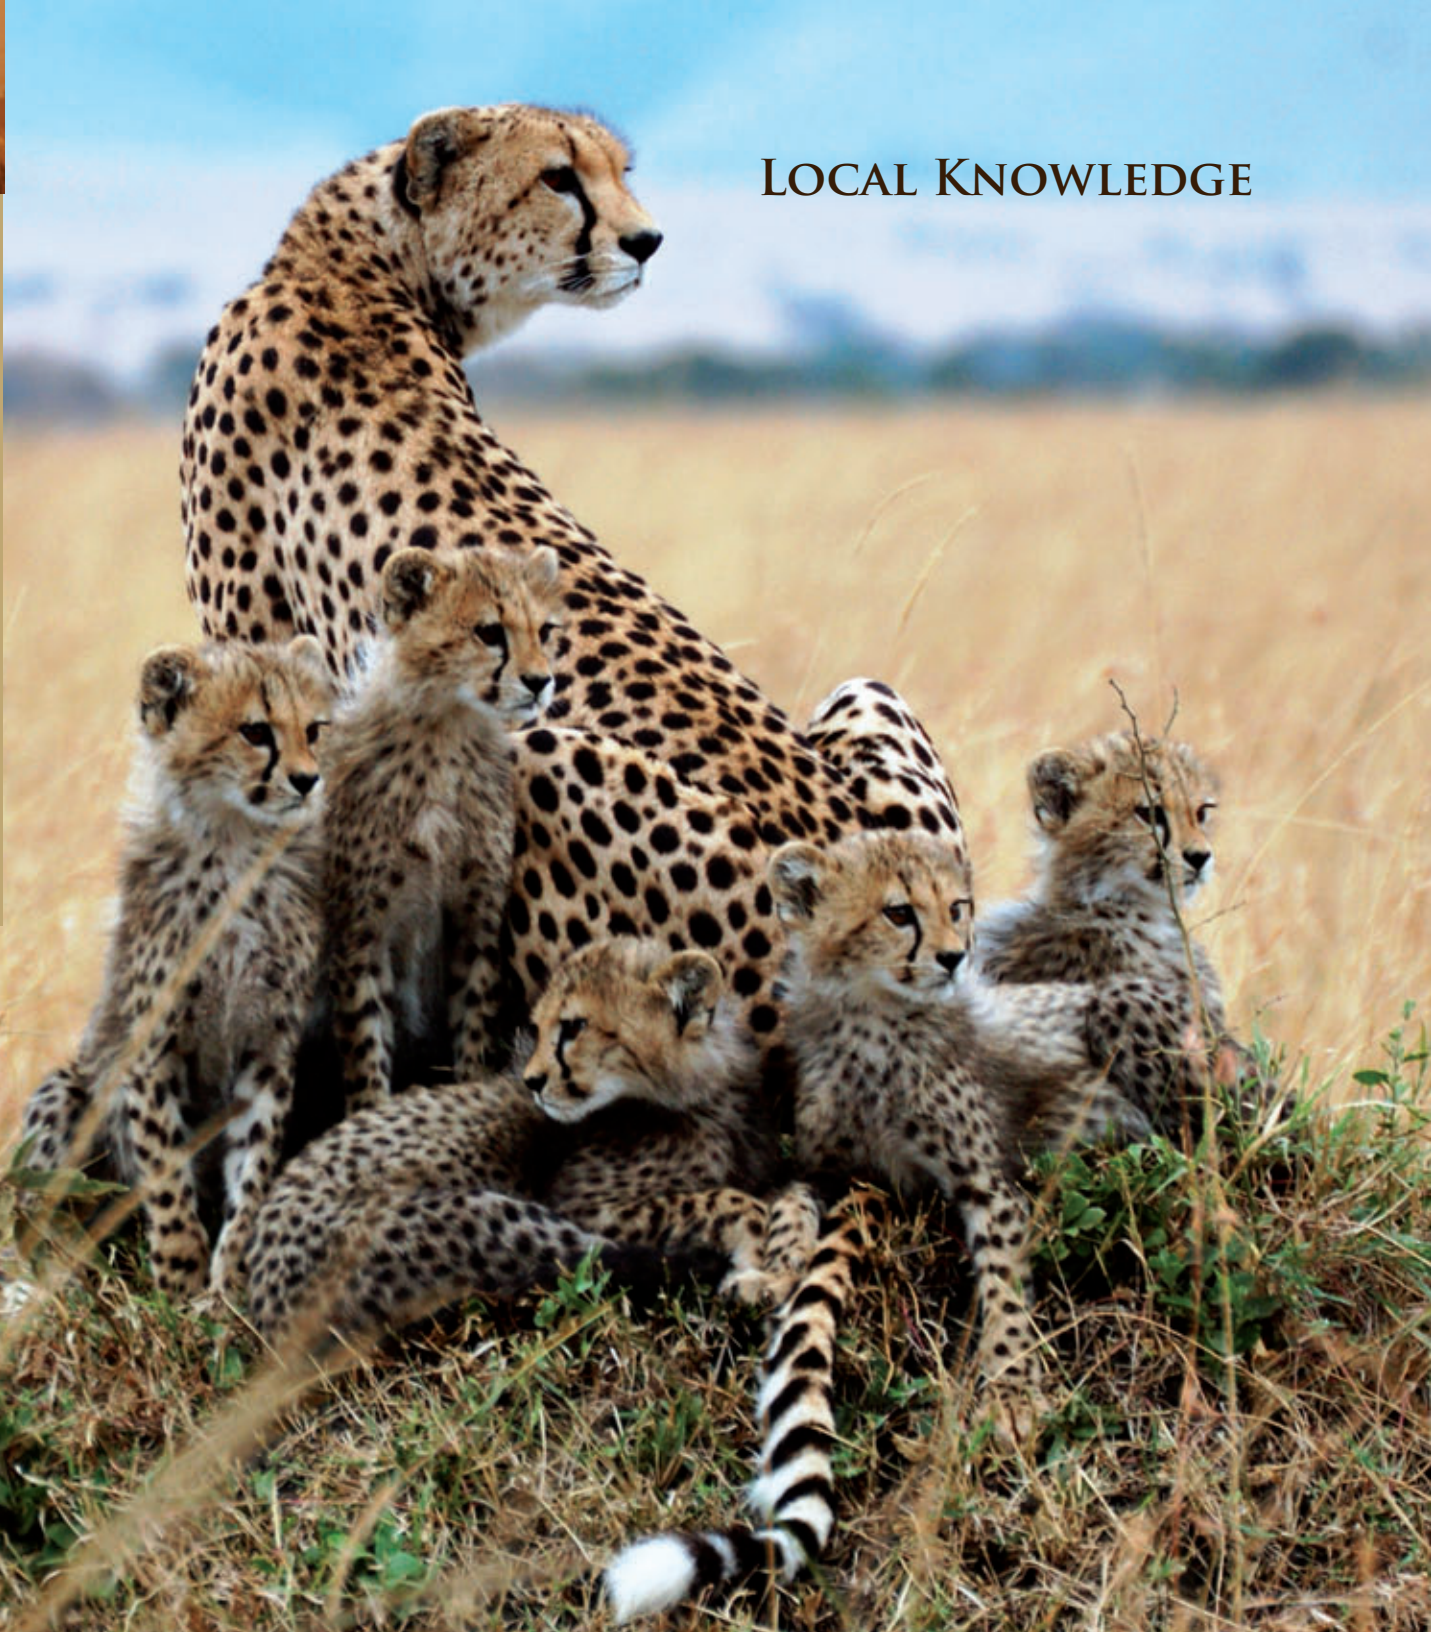

“John Niva is an incredible safari guide who not only is an expert in wildlife, but also provides incredible customer service to his clients. His attention to detail will provide you a trip that will allow you to relax instead of worry.

His smile and personality will make the trip seem like you are taking a trip with one of your friends. From the time you start planning the trip with John until the time you leave, John is in communication with you and ready to answer any question you have. I would highly recommend John Niva as a professional safari guide.”

## LOCAL KNOWLEDGE

No matter what your budget, we can create that perfect safari holiday and an adventure to last a lifetime. We specialise in East Africa including: Kenya, Tanzania, Uganda & Rwanda and have local partners that we have used for over 20 years.

All the accommodation we use is eco friendly and mostly family run, giving you a true home from home.

From Wilderness to Forests, Mountains and Deserts, we are very lucky to live in such a beautiful landscape.

At Niva Safaris we pride ourselves on showing nature at its purest.

A DIFFERENT EXPERIENCE

Here are just some activities we can offer (by no means a comprehensive list) to give you a taster, but your safari will be tailored completely to your requirements and budget:

- trekking with camels
- horseback safaris
- helicopter rides over the rift valley and the Northern desert
- fly fishing on glacier lakes on Mount Kenya
- cultural experiences in the untouched Northern Frontier
- balloon and bi-plane rides
- the opportunity to interact with local Kenyan families in their homes
- opportunities for young travellers to participate in school activities
- a unique, intimate, unforgettable experience for honeymooners
- Gorilla trekking in Rwanda and Uganda

My aim is to provide enlightening, life-enriching and potentially life-changing travel experiences that bridge cultures through positive interactions.

With over 20 years of safari experience and in-depth local knowledge I know where to go and, crucially, what time of day to capture that perfect African moment.

I look forward to sharing my passion and knowledge with you soon...
